Mona Vale Vacation Care

Terms & Conditions

Booking and Payment Policy

All Vacation Care bookings must be made through the Xplor Home App.

Where places are available, bookings will be confirmed through the Xplor Home App.

Once a booking has been confirmed, Xplor will automatically issue a notification to the account holder and the confirmed booking will appear within the family's Xplor account and account statement.

It is the responsibility of the parent/guardian to regularly monitor the Xplor Home App, including booking status, notifications and account statements. Failure to view a Xplor notification or account statement does not invalidate a confirmed booking or alter the Cancellation Policy.

Direct debits are processed fortnightly for bookings two weeks in advance.

Cancellation Policy

Confirmed Vacation Care bookings may be cancelled through the Xplor Home App, without charge, up until two weeks prior to the booked session.

Within two weeks of the booked session, cancellations can no longer be made through the Xplor Home App and must be requested by email. Bookings cancelled within two weeks remain payable unless otherwise approved by the service or supported by a valid Medical Certificate.

Waitlist Policy

If a Vacation Care session is full, families may join the waitlist through the Xplor Home App.

A waitlist request remains active until it is withdrawn by the parent/guardian or the session has passed.

Families are responsible for regularly monitoring the Xplor Home App, including the status of their waitlist requests, notifications and account statements.

If a family no longer requires care at any time after joining the waitlist, they must notify the service immediately by email so their waitlist request can be withdrawn and the place offered to another family.

Where a place becomes available, the service may allocate the place by confirming the booking through Xplor. Xplor will automatically issue a notification to the account holder and the confirmed booking will appear within the family's Xplor account and account statement.

If a waitlist request has not been withdrawn before a place is allocated, the booking will be confirmed and the standard Cancellation Policy will apply.

Where a place becomes available within 24 hours of the session, or where immediate confirmation is required for operational reasons (for example, an excursion with limited places), the service may also contact families directly by telephone or email.

Additional Needs & Inclusion Support

Children who require additional support are welcomed at Vacation Care once ISP funding is approved and appropriate staffing is available to meet their needs. Once ISP funding is approved, to help us plan effectively and ensure a safe, inclusive environment, families are asked to provide at least 3 weeks' notice of their specific bookings prior to the vacation care period.

Authorisation

By booking my child into Sustainable OSHC Vacation Care via the Xplor Home App, I hereby give consent for the child/ren booked into the Vacation Care program to attend the prescribed activities/excursions on the days they have been booked in.

By submitting a Vacation Care booking or joining a waitlist through the Xplor Home App, I acknowledge that I am responsible for monitoring my booking status, waitlist status, Xplor notifications and account statements. I understand that if I no longer require a booking or waitlist request, it is my responsibility to notify the service immediately in accordance with these Terms and Conditions.

I have access to & have read all the necessary information available in the Risk Assessments, Policies & Vacation Care Program prior to booking my child/ren in for Vacation Care as it contains the following regulatory information for excursions:

- (a) the child's name; and
- (b) the reason the child is to be taken outside the premises; and
