

HOW TO MAKE A CASUAL BOOKING IN THE XPLOR HOME APP

1 Open Xplor Home App & Select Bookings
Scroll to appropriate date of Casual Booking
Select "New" in top right hand corner, select "Booking"

2 Select appropriate session from the dropdown menu
Can request bookings for multiple multiple dates if applicable

3 Select Shopping Cart in top right hand corner
Select Request

4 This screen confirms your casual booking (please check the details)
A solid orange dot on top of the date, shows the booking is confirmed

Note: You cannot cancel a booking via the Xplor Home App. If you have made an error or are wanting to cancel a Permanent or Vacation Care Booking outside of the 14 day cancellation period you must email your Service.
